

Requirements for Volunteers

The Guild of St. Agnes uses volunteers to enhance our programs. Volunteers are a wonderful addition to any program. Each volunteer must complete an application for employment and a BRC (Background Record Check). It is also important that volunteers commit for a minimum of 3 months.

Each volunteer is chosen based on the following criteria:

- The volunteer is 17 years of age or older
- The volunteer is part of a school program or has had professional experience
- Ability to meet the needs of children
- Appropriate conduct
- Availability to train/orientate prior to volunteering
- One week of mentoring by a trained staff member
- Successful results of the CORI and DCF checks
- Completion of an application including employment history

The Guild of St. Agnes appreciates volunteers and recognizes the value each volunteer brings to the Guild children. It is important for volunteers to acknowledge that our teachers are professionally trained in the field of early childhood education and refer any questions to those professionals. Volunteers are not to be considered part of the teacher to child ratio.
